Questionnaire

Name, date, location

PART III

Learning goal: being able to make informed decisions to improve inclusiveness in digital assessment in their institutions by synthesising and and evaluating the content.

Questionnaire

- The last part of the module is done individually and consists of an online questionnaire that focuses on the themes covered in this module (takes approx. 20-25 minutes).
- Link to the questionnaire: https://docs.google.com/forms/d/1-d4-ImUVYXRLt4E9VTzVE_DX_jfZwRTuSF4xPL0rjmE/edit
- We will resume to the main zoom room after everyone is done with the questionnaire to discuss the results.
- We recommend that after completing this module you return to the case studies that your group did not discuss in the previous part.
